Request for extension of Exemption 39(a) of Annex III of RoHS Directive 2011/65/EU

Dear Ms. Zazvorkova,

On behalf of OSRAM GmbH, Munich and OSRAM Opto Semiconductor GmbH, Regensburg, we would hereby like to provide you with the request for a renewal of exemption 39(a) under RoHS Directive 2011/65 EU for the use of cadmium selenide in downshifting cadmium-based semiconductor nanocrystal quantum dots for use in display lighting applications (< 0,2 µg Cd per mm² of display screen area).

Attached to this letter you may find the relevant document as deemed necessary in the Directive, namely the application form for the request.

We would kindly appreciate receiving a confirmation of receipt of this application and we remain at your disposal, should you have any questions or comments to the documents we have submitted.

With best regards

Dr. Dirk Toebben
