Joint statement on RoHS Pack 15

Brussels, 12 February 2020

DIGITALEUROPE and the Japan Business Council Europe (JBCE) welcome and support the recommendations based on what we feel has been a thorough additional assessment by the Oeko Institute. We look forward to continuing to work closely with relevant stakeholders on the further elaboration of the methodology and the review of the substances in Pack 15.

About DIGITALEUROPE

DIGITALEUROPE represents the digital technology industry in Europe. Our members include some of the world's largest IT, telecoms and consumer electronics companies and national associations from every part of Europe. DIGITALEUROPE wants European businesses and citizens to benefit fully from digital technologies and for Europe to grow, attract and sustain the world's best digital technology companies. DIGITALEUROPE ensures industry participation in the development and implementation of EU policies. <https://www.digitaleurope.org>

About JBCE

Founded in 1999, the Japan Business Council in Europe (JBCE) is a leading European organisation representing the interests of over 80 multinational companies of Japanese parentage active in Europe. Our members operate across a wide range of sectors, including information and communication technology, electronics, chemicals, automotive, machinery, wholesale trade, precision instruments, pharmaceutical, railway, textiles and glass products. <http://www.jbce.org>
